Let's first of all place all the blue objects in	side	Blue ok	ojects		Rectar	ngles
the set " blue objects"						<u> </u>
					$\exists \ \} \exists$	
Secondly, let's place the rectangles inside the set "rectangles"						
maide the set rectangles						
Thirdly, you see that, we have blue rectangl	les					
under the set"blue objects" and under the	set					
"rectangles". So, let's place these blue						
rectangles in the overlapped section.
